## About Planet Payment®

Planet Payment's Common shares trade in the UK on AIM under the symbols PPT for unrestricted Common shares and PPTR for Reg S Common shares and in the United States on the OTCQX under the symbol PLPM.

Planet Payment enables processors, acquiring banks and their merchants to accept, process and reconcile credit card transactions in multiple currencies, allowing cardholders to view prices and settle transactions in their native currency. The *Pay in Your Currency* service is a component of Planet Payment's suite of multi-currency processing solutions, which include a multi-currency pricing e-commerce service and a Dynamic Currency Conversion service. Planet Payment's *BuyVoice*™, a mobile payment and commerce solution, allows merchants to accept payments and sell product to customers using any mobile or landline phone. With the *iPAY*™ gateway, Planet Payment also offers comprehensive Internet processing solutions for credit card and electronic check payments.

Planet Payment is headquartered in New York and has offices in Atlanta, Beijing, Bermuda, Delaware, London, Hong Kong, Shanghai and Singapore.
