About Planet Payment®

- Planet Payment's Common Shares trade on AIM under the symbols PPT for unrestricted Common Shares and PPTR for Reg S Common Shares.
- Planet Payment enables processors, acquiring banks and their merchants to accept, process and reconcile credit card transactions in multiple currencies, allowing cardholders to view prices and settle transactions in their native currency. The *Pay in Your Currency* service is a component of Planet Payment's suite of multi-currency processing solutions, which include a multi-currency pricing e-commerce service and a Dynamic Currency Conversion service. Planet Payment also recently launched BuyVoice™, a mobile payment and commerce solution, which allows merchants to accept payments and sell product to customers using any mobile or landline phone.
- Planet Payment is headquartered in Long Beach, New York and has offices in Atlanta, Beijing, Bermuda, New Castle, Delaware, London, Hong Kong, Shanghai and Singapore.
